

NHS Partnerships

What we've achieved

Bank
partners

Savings
in excess of
£14.7m
in six years

Savings: Bank Partners have supported trusts in delivering in excess of £14.7m direct savings through the reduction and translation of agency supply to bank fill.

Safe recruitment and compliance: Bank Partners consistently achieved 100% compliance in trust quarterly audits through 2013 and in the first six months of 2014.

INTEGRATION WITH e-Roster SOLUTIONS

IT: Our bespoke system, iPoint delivers a trust-wide end-to-end management platform including shift request and fulfilment, e-Timesheet, payroll management and management information. Where trusts elect to use third party software, we work directly with Allocate and SMART e-Rostering providers.

Efficiency. Savings. People.

Bank partners

Bank Partners is a market leading independent provider of NHS staff bank management and outsourced staffing solutions within the UK.

By understanding our clients values and objectives we work in partnership to provide successful, cost-effective and compliant managed service solutions, tailored to optimise efficiency and reduce agency spend.

With over 20 years' experience, our dedicated team of experts work closely with our clients to improve processes and recruit and fill requests across all staffing specialities including: nursing, doctors, allied health professionals, ancillary and administration staff. We pride ourselves on the quality of service we provide, the flexibility of our approach and our ability to support excellent patient care.

Efficiency. Savings. People.
